ADULTS

It's Not Too Late: How God Uses Less Than Perfect People

Led by Lucas Cunningham & Jay Perez
God frequently uses broken people to accomplish His purposes on earth. This six-session study looks at three men and three women of the Bible who were used mightily by God despite their previous mistakes. You too can learn to focus on the potential of your future, not the missteps of your past.

Fast Facts on Faulty Faiths

Led by Mr. Elbert Smith
Each session will contrast the theologies of today's cults with the truth found in God's Word. We'll discover the key facts on Atheism, Buddhism, Evolution, Hinduism, Islam, Satanism, and more - providing powerful insights for sharing the biblical gospel with people ensnared by false religions and philosophies.

YOUTH

Limitless: 4 Week Series

There's nothing fun about having limits set between us and what we want - feeling like our lives, our stories, and our futures are limited in one way or another. Moses struggled with his limitations, but through his story we'll discover that when we allow God to direct us, the possibilities are limitless.

Activate: 4 Week Series

We all experience moments that have the potential to activate or deactivate our faith, and it's hard to tell at first glance which is happening. This was especially true for Jesus' follower and dear friend, Peter. As we take a closer look at his ups and downs, we'll discover how sometimes the very experiences that threaten to destroy our faith are the ones that can activate it in a whole new way.
