THE BOOK OF JAMES WITH FRANCIS CHAN

Church-wide Small Groups Study continues through Dec. 13

True faith produces fruit. A faith without action and without life change is ultimately a dead faith. The book of James speaks to the realities of a living faith in Jesus—the kind of roll-up-your-sleeves and get-your-hands-dirty discipleship that is borne out of an authentic relationship with the risen Lord. James writes to believers who know suffering, who've faced trials, and who ultimately desire a deep relationship with God.

Francis Chan unpacks the dense truth contained in the book of James in front of the iconic backdrop of San Francisco, the city where he lives and ministers. Through twelve sessions, Francis works through James verse-by-verse, challenging followers of Christ to move beyond a private, intellectual knowledge of God and His Word, to a vibrant faith that impacts every square inch of life.
