Further Study on the Sermon from May 1, 2022

1. This week we learned that the judgment will actually be a time of both reward and loss. The rewards we receive will be directly related to what we do here on earth - our actions and our motives. Read the following Scriptures that highlight what things will bring a promised reward.

Hebrews 11:6, Colossians 3:23-25, Luke 6:32-36, Matthew 5:11-12

How do these verses add, change, or confirm your understanding of spiritual rewards and their pursuit?

2. Have you ever stopped to think about how important it is for us to simply get along with those who cross our path? **Colossians 3:1-17** gives us insight into how we are to treat each other. Read the passage and make a list of behaviors and character traits that we are to "put to death" or get rid of.

How can we go beyond suppressing or controlling these things and totally wipe them out of our life? And how could "setting your mind on things above" play a part in answering this question?

Now make a list of the things Paul tells us to "put on" or start doing. What would it look like for you to "clothe yourself" like this, and how would it impact your current relationships with others?

3. **Romans 12:1-21** is another chapter that gives us a lot of practical teaching on how to use our gifts and treat one another. Read the passage and pay special attention to verses 3-8. How do you think pride and looking down on others damages God's family?

What does it look like to see yourself with "sober judgment?"
